Killdozer

SRP: \$12

RIYL: The Melvins, Big Black, Flipper, Communism

*** Killdozer released six full lengths, two EP, a VHS video and numerous singles on trailblazing Chicago indie label Touch and Go Records. Advancing the Midwest "pigfucker movement" with their compatriots such as Big Black and Halo of Flies.

*** Thru its thirteen years of existence from 1983-1996 Killdozer won fans all over the world by relentless North American and European touring.

*** Crustacean records has already begun a national print campaign with ads running from now throughout 2006 in every issue of The Big Takeover, Magnet, Punk Planet, Maximum Rock and Roll, Razorcake and others.

*** The Last Waltz stands as the only live album by this legendary and highly influential Midwest band and has been out of print since 2000. In addition most Touch and Go releases are out of print currently leaving our reissue of the Last Waltz as one of the few options for those wishing to purchase Killdozer.
